**Course fees include:** All face-to-face training and course materials.

**Locations:** Across Victoria

#### Coursework

This course is nationally accredited qualification. The purpose of this course is to ensure that all persons involved in the field of Close Personal Protection are suitably trained and qualified to perform their task in a professional manner. The licensing regulations requires that all persons applying for a Bodyguard license complete the Certificate III Bodyguard with an accredited Registered Training Organisation.

Successful graduates are skilled to access, analyse and supply the resources needed to ensure the safety and protection of their clients. You must have completed the CPP30411 Certificate III in Security Operations core units and two additional CPP20212 Certificate II in Security Operations units as a pre-requirement for this course.

**Additional requirements:** On completion of the qualification, the learner will be required to complete, submit and be successful in obtaining an Individual Operator Private Security Licence to work in the security industry.
